George,

2. All financial "books" for the chapter (Photo copied pages)
3. List of events VMVB hosted in 2015 and total funds that were raised.
4. Paperwork from First Bank of Van Buren for the closing of account number 1227060 (\$541.00) showing account was a trust in the name of James Powers and that the account was not closed due to "End of Care (Passed Away)" as the paperwork that was recently provided by the bank currently states.
5. All receipts you may have.
6. Contact of list of people VMVB donated funds to in 2015.
7. List of VMVB Property. There is a file on Google Drive for this named "VMVB PROPERTY LIST" that is in the VMVB Financials Folder. Ill attach it also to this email.
8. All Chapter paperwork updated for 2016.

I have setup a FOLDER on Google Drive that you and Stacy should see in your SHARED WITH ME Area called "VMVB 2015" all of these above can be scanned and put into this folder.

Other Info.

All paperwork / financials / receipts needs to be done online using the cloud (google drive) nothing hand written. Paperwork should be done as soon as possible. Items for June should not be inputted online in November/December as the files on google drive show.
